

Capital Medical Society (CMS) 4th year Medical Student Scholarship Application 2026

Statement of Purpose: The Capital Medical Society, a chapter of the National Medical Association, has developed a scholarship to support 4th year University of California Davis medical students of African American/or African descent, who plan to provide primary care to underserved communities. Consideration will be given to students who pursue other specialties if they plan to provide service to underserved communities. This one-time scholarship award of \$1,000 will go to the students who demonstrate financial need and academic achievement. The completed application is due no later than April 1, 2026. Please submit the application to capmedsoc@gmail.com. The recipients will be notified by Friday May 1, 2026.
